### 3. BOARD OF DIRECTORS.

3.01. Membership. The affairs of the Association shall be conducted by the Board of Directors, which shall consist of such number not less than three (3) nor more than seven (7), with staggered terms, as shall from time to time be determined and affixed by a vote of the voting rights present at any annual meeting of the members. If at any meeting of the Board of Directors there is less than a quorum present, the majority of those present may adjourn the meeting from time to time until a quorum is present. At the resumption of any adjourned meeting, any business which might have been transacted at the meeting as originally called may be transacted without further notice. The joinder of a Director in the action of a meeting by signing and concurring in the minutes thereof shall constitute the presence of such Director for the purpose of determining a quorum.

The records, books of account and the vouchers authorizing payments, shall be available for examination by a member of the Association at convenient hours of weekdays.

## 6. FISCAL MANAGEMENT

6.01. Budget. The Board of Directors shall determine the common expenses of the Association and adopt a budget for each calendar year of such estimated common expenses, including a reasonable allowance for contingencies and reserves, less the unneeded fund balances on hand.

Within thirty (30) days after the adoption of a proposed budget for the condominium, the Board shall provide a copy of the budget and proposed assessments to all the unit owners, and shall set a date for a meeting of the unit owners to consider ratification of the budget not less than fourteen (14) nor more than thirty (30) days after delivery or mailing of the budget to the unit owners. Unless at that meeting a majority of all the unit owners present, in person or by proxy or any larger vote specified in the Declaration reject the budget, the budget is ratified, whether or not a quorum is present. In the event the proposed budget is rejected, the periodic budget as last ratified by the unit owners shall be continued until such time as the unit owners ratify a subsequent budget proposed by the Board.

6.02. Assessments for Recurring Expenses. Assessments for recurring common expenses shall be made for the calendar year annually in advance and transmitted to each member as provided supra. The Board may include a Maintenance Fund Reserve for contingencies in such assessments, and such Maintenance Fund Reserve may from time to time be increased or reduced at the discretion of the Board. The proportionate interest of each unit owner in said Fund cannot be withdrawn or separately assigned but shall be deemed to be transferred with such unit even though not expressly mentioned or described in the conveyance thereof. In case the condominium regime hereby created shall be terminated and the property removed from the Alabama Uniform Condominium Act, any part of the Fund remaining after full payment of all common expenses of the Association shall be distributed to all unit owners in the respective proportionate shares. Such assessments shall be due in monthly installments on the first day of the year for which the assessments are made. If such annual assessment is not made as required, an installment in the amount required by the last prior assessment shall be due upon each installment payment date until changed by a new assessment. The total of the assessments for recurring common expenses shall be not more than one hundred twenty percent (120%) of the assessments for this purpose for the prior year unless approved in writing by unit owners entitled to cast a majority of the votes in the Association. In the event such an annual assessment proves to be insufficient, it may be amended at any time after approval in writing by unit owners

entitled to cast a majority of the votes in the Association, and the amended assessment for the remaining portion of the calendar year shall be due at the time the next monthly installment is due. The first assessment shall be determined by the Board of Directors of the Association.

6.03. Assessments for Capital Improvements. Upon written notice to all the unit owners and upon approval in writing by unit owners entitled to cast a majority of the votes of the Association, the Board may establish and maintain one (1) or more capital reserve accounts, but the assessment of and payment by all of the unit owners in equal monthly installments of their respective proportionate shares of such reasonable annual amount, for such term of years as the Board may estimate as needed to cover each unit owner's obligation to provide for specified capital improvements, such as, by way of illustration and not limitation, the purchase of additional property, the paving or repaving of streets and areas, the construction or reconstruction of common elements and the like. Each such capital reserve account shall not be commingled with the general assessment funds of the Association, but shall be deposited in a special account, shall be earmarked and designated. The proportionate interest of each owner in each such capital reserve account cannot be withdrawn or separately assigned, but shall be deemed to be transferred with such unit even though not expressly mentioned or described in the conveyance thereof. In case the condominium regime hereby created shall be terminated and the property removed from the Condominium Ownership Act, any part of each such capital reserve account remaining after full payment of all common expenses of the Association shall be distributed to all unit owners in the respective proportionate shares.

6.04. Assessments for Emergencies. Assessments for common expenses for emergencies which cannot be paid from the assessments for recurring expenses shall be made only after notice of the need therefor to the unit owners concerned. After such notice and upon approval in writing of more than one-half (½) of such unit owners concerned, the assessment shall become effective, and it shall be due after thirty (30) days notice thereof in such manner as the Board of Directors may require.

6.05. Acceleration of Assessment Installment Upon Default. If a unit owner shall be in default in the payments of an installment upon any assessment, the Board of Directors may accelerate the remaining installments of such assessment upon notice thereof to the unit owner, and thereupon the unpaid balance of the assessment shall come due upon the date stated in the notice, but not less than ten (10) days delivery thereof to the unit owner, or not less than twenty (20) days after the mailing of such notice to him by registered or certified mail, whichever shall first occur.

6.06. Default.

(a) In the event an owner of a unit does not pay any sums, charges or assessments required to be paid to the Association within thirty (30) days from due date, the

Association may foreclose the lien encumbering the unit created by non-payment of the required moneys in the same fashion as mortgage liens are foreclosed; provided that thirty (30) days prior to the foreclosure, notice of such intention shall be mailed, postage prepaid, to the unit owner and to all persons having a mortgage lien or other interest of record in such unit as shown in the Association's record of ownership. The Association shall be entitled to the appointment of a Receiver, if it so requests. The Association shall have the right to bid on the unit at a foreclosure sale and to acquire, hold, mortgage and convey the same. In any such foreclosure action, the lien of the Association shall be subordinate and inferior to tax liens in favor of the state, county, any municipality and any special district and any first mortgage liens of record encumbering such unit at the time of commencement of the foreclosure action by the Association. In lieu of foreclosing its lien, the Association may bring suit to recover a money judgment for any sums, charges or assessments required to be paid to the Association without waiving its lien securing the same. In any action either to foreclose its lien or to recover a money judgment brought by or on behalf of the Association against a unit owner, the losing defendant shall pay the cost thereof together with a reasonable attorney's fee.

(b) If the Association becomes the owner of a unit by reason of foreclosure, it shall offer said unit for sale and at such time as a sale is consummated it shall deduct from such proceeds all sums of money due it for monthly assessments and charges, all costs incurred in the bringing of the foreclosure suit, including reasonable attorney's fees, and any and all expenses incurred in the resale of the unit, which shall include but not be limited to advertising expenses, real estate brokerage fees, abstract or title insurance costs and expenses necessary for the repairing and refurbishing of the unit in question. All moneys remaining after deducting the foregoing items of expense shall be returned to the former owner of the unit in question.

6.07. Depository. The depository of the Association shall be such bank or banks as shall be designated from time to time by the Directors and in which moneys of the Association shall be deposited. Withdrawal of moneys from such accounts shall be only by check signed by such persons as are authorized by the Directors.

6.08. Audit. An audit of the accounts of the Association shall be made annually by a certified public accountant, not a member of the Association, and a copy of the report shall be furnished to each member not later than April 1st of the year following the year for which the report is made.

## 7. OBLIGATIONS OF THE OWNERS.

7.01. Assessments. Every owner of any unit in the condominium shall contribute pro rata toward the expense of administration of the condominium as provided in the Declaration and in these Bylaws.

7.02. Maintenance and Repair.

(a) Every owner must perform promptly all maintenance and repair work within his unit, which, if omitted, would affect the condominium in its entirety or in a part belonging to other owners, and is expressly responsible for the damages and liabilities that his failure to do so may endanger.

(b) All the repairs of internal or appurtenant installations of the unit, such as water, lights, power, air conditioning, heat, sewage, telephones, sanitary installations, doors, windows, lamps and all other accessories belonging to the unit area, shall be maintained at the owner's expense.

7.05. Title. Every unit owner shall promptly cause to be duly recorded in the office of the Judge of Probate of Tuscaloosa County, Alabama, the deed or other conveyance to him of his unit or other evidence of title thereto and file such evidence of his title with the Association, and the Secretary shall maintain such information in the record of ownership of the Association.

7.06. Mortgages.

(a) Any mortgagee of a unit may file a copy of its mortgage with the Association, and the Secretary shall maintain such information in the record of ownership of the Association. After the filing of the mortgage, the Association shall be required to notify the mortgagee of any unit owner who is in default in the expenses for the administration of the condominium and the mortgagee at its option may pay the delinquent expenses; and the holder of

every such mortgage requesting the same shall be entitled to written notification from the Association of any default by mortgagor of such unit in the performance of such mortgagor's obligations under the condominium documents which is not cured within thirty (30) days.

(b) Unless all holders of first mortgage liens on units have given their prior written approval the Association shall not be entitled to:

- (i) Change of pro rata interest or obligations of any unit for the purposes of levying assessments and charges, and determining shares of undivided interest in the common elements and proceeds of the project;
- (ii) Partition or subdivide any unit or the common elements of the project, nor
- (iii) By act of omission seek to abandon the condominium status of the project except as provided by statute in case of substantial destruction, deterioration or obsolescence to the units and condominium project.
